

## Elma Laser 1 - Mini laser distance meter with bluetooth

Incl. free Elma link App for iOS and Android

Elma Laser 1 is a brand new mini laser distance meter (LDM), containing lots of features in a pocket size instrument. The instrument is simple to operate and is able to calculate area and volume. Using the Bluetooth, Elma Laser 1 turns into a clever tool for documentation. Take a picture, using your smart phone or tablet, and quickly drag and drop the measurements and comments to the picture in the free Elma Link App and share by mail or other forwarding apps on your device. Elma Laser 1 makes it fast to measure room dimensions, ceiling height etc. The instrument is delivered ready to use incl. batteries and manual.
